Primary: [Vision Plan] Secondary: [Medical Plan]

COB Rule Used: [Routine → Vision first] Confidence: [High/Med/Manual]

Why? (tooltip onscreen) — not printed in PDF

Staff Guidance (What To Do)

Plain-language recommendation sentence goes here.

Example: Use Vision plan for routine services; bill medical only if diagnosis is identified.

Alerts / Needs Review

- Missing frequency data for contacts
- Member ID mismatch — verify subscriber
- Recommend manual confirmation before quoting
